V. COLLEGE/CAREER GOALS AND ACADEMIC INTEREST

Please list all colleges to which you are applying.

What major/area of study are you considering for college ("undecided" is ok)?

What career(s) are you considering pursuing?

Do you feel that your transcript accurately reflects your academic ability?
If no, explain what factors/circumstances have interfered with your academic performance?

What do you think are your academic strengths?

List three academic faculty members (preferably junior year) who could give you a positive appraisal.

VI. PERSONAL

Who are your personal heroes, men and women you admire, and why?

What special interests or hobbies do you pursue outside of school?

What personal experience, summer experience, school/work experience, or travel has been of significant importance to you, and why?

Is there any information you would like for me to emphasize in my recommendation to help the colleges make a more accurate appraisal of your application? Let me know what else you would like me to include or emphasize.

SELF-EVALUATION

Read the statements and rate yourself using the scale below.

RATINGS	Below Avg.	Average	Good	Excellent	Outstanding
Ability to organize / use time					
Self-confidence					
Desire to learn new things					
Willingness to take risks					
Ability to get along with others					
Willingness to work hard					
Imagination / Creativity					
Ability to express self					
Sense of humor					
Concern for others					
Emotional maturity					
Reaction to setbacks					
Understanding new concepts					
Self-discipline					
Growth potential					
Leadership					
Energy					
Motivation					
Warmth of personality					
Personal initiative					
Respect accorded to faculty					

Please pick five descriptive words and provide an example how each word applies to you.

Examples: I am very creative. I work on the Half-Wit and Wit magazines and I had some of my photos featured in the publication. I work part-time designing gift baskets.

or

I am very analytical. I can quickly solve problems in Math and Science class. I was the “mathlete” for several weeks in Advanced Algebra earning the highest score on the first semester final exam. I have been a member of TYMP since my freshman year.
