CREATING A NEW CLUB

Any teacher or student having an interest in starting a new club may obtain a Proposal Form (see following pages) in the Student Activities office. After the completed form has been returned to the Student Activities office, the application goes through the following process:

1. Review of application by the Student Activities Director in light of the above criteria for school-sponsored clubs and conditions for school-recognized club.
2. Meeting with potential sponsor and/or students and the Student Activities Director.
3. Written recommendation by the Student Activities Director to the Principal for acceptance or rejection of the club as a school-sponsored club or school-recognized club.
4. Final written decision by the Principal.
5. If a club is accepted as a school-sponsored club, the club will be on "pilot" status for two full semesters and a specific plan to start as a school-sponsored pilot club will be developed by the sponsor, students, and Student Activities Director.
