A MESSAGE TO OUR AUDIENCE

Picture wealthy publishers of well-known newspapers in the late 1890's, exposing corruption of infamous politicians, reporting on strike movements, uncovering crime and murder; anything they could to scrape out an extra buck.

Now, imagine a clan of ragged kids scattered throughout the streets of New York City selling newspapers under abusive working and living conditions. Conditions too similar to those that some of the lowest-wage workers in America still experience today, worsened by the pandemic.

As you watch *Disney's Newsies*, you will witness an intense clash of these two worlds. Who will ultimately seize the day?

In 1899, when newspaper owners like Joseph Pulitzer raised the prices that the newsboys paid, these newsies took it upon themselves to stand up for their rights and those of all of the mistreated child workers around the city. These young activists threw down their newspapers, united their powerful voices, and inspired early stages of child labor laws in New York City and throughout the USA.

When faced with injustice in their communities, today's youth continue to stand up for what they believe is right in order to affect change. What makes YOU want to throw your newspapers down and fight for your rights? What changes do YOU plan to inspire?

A rag-tag group of Newsboys in 1899 ensured that the world would know the power of their small, yet mighty voices; they stood up for their rights, and each other, through it all. We hope that their story will encourage you to do the same.

International Thespian Society Troupe #1583 and Patriot Theatre Company strive to build an environment that allows students to learn and grow as theatre artists. As leaders, we advocate for the members of our community in the hopes that we can keep their intense love for theatre alive.

Newsies has allowed us to continue expressing our passions for theatre while also strengthening the PTC community during the pandemic. Despite all obstacles, the *Newsies* production team and student company remained positive and dedicated to creating art. This production provided us with social connections and something to look forward to when we woke up everyday; for many of us, it will be the savior of 2020.

As seniors, we are grateful for the opportunity to come together for this unforgettable experience. We recognize what a privilege it is to be involved in a production during these trying times, and we also recognize the positive impact it has had on our lives.

PATRIOT THEATRE COMPANY

The Mission of Patriot Theatre Company is to activate passion, inspire excellence, and cultivate mindful citizens in an inclusive community of well rounded theatre artists engaging in diverse stories.

PROUD MEMBER OF THE **2020-2021 JUBILEE**

What if there was a yearlong, nationwide theatre festival featuring work generated by those who have historically been excluded--including but not limited to artists of color, Native American and Indigenous and First Nations artists, women, non-binary and gender non-conforming artists, LGBTQIA2+ artists, Deaf artists, and artists with disabilities?

That is the promise of the 2020-2021 Jubilee, of which Stevenson's Patriot Theatre Company is proud to be a committed member. Every play in our season and within our classes represents diverse creators and characters, many are individuals who have historically been excluded from our country's stages.

The Theatre Parent Organization

Theatre Parents Organization

Theatre Parents Organization (TPO) is a volunteer organization that supports and enhances the work of Patriot Theatre Company's students and staff.

TPO volunteers serve snacks and meals during tech weeks, plan fundraisers, work concession sales, and supervise and plan additional events. We meet 2-3 weeks before each major performance to plan and prepare.

We can use your help!

Our goal is to involve all parents and guardians whose children have a love for theatre, are involved in theatre programming, take curricular classes, or just love the theatre atmosphere.

You can join TPO by filling out the form found using the QR code or URL link below.

Why Teach Theatre in Our Schools?

Theatre is a SCIENCE.
Theatre is MATHEMATICAL.
Theatre is a FOREIGN LANGUAGE.
Theatre is HISTORY.
Theatre is PHYSICAL EDUCATION.
Theatre is LANGUAGE ARTS.
Theatre is BUSINESS.
Theatre is TECHNOLOGY.
Theatre is ECONOMICS.

Theatre is taught in schools
Not because you are expected to major in theatre,
Not because you are expected to perform all through life,
Not so you can relax,
Not so you can have fun,
But
So you will recognize BEAUTY,
So you will be SENSITIVE,
So you will be closer to an INFINITE BEYOND THIS WORLD,

So you will have more LOVE,
More COMPASSION,
More GENTLENESS,
More GOOD,
In short,
More LIFE.

Of what value will it be to make a prosperous living unless
You know how to live?
That is why theatre is taught in our schools.
