

ARCHITECTURE & ENGINEERING CLUB

MORNING

3006
ROOM

Throughout the year, club members compete in four competitions against other high schools. During meetings, students learn 3-D modeling engineering and architecture computer softwares, such as Autodesk Inventor and Revit, to prepare for competitions. Students also compete in fun design challenges where they have a limited amount of materials to build the fastest car, the tallest structure, etc.

COMMITMENT

For competitions, students are selected based on their attendance of club meetings. The more times you go to club meetings, the more likely you will get to compete in all four competitions throughout the year.

REQUIREMENTS

None.

JOIN

Attend any Wednesday morning meeting starting at 7:30 a.m. in room 3006 (Link Lab).

MEMBERSHIP

Maximum 30 students.
