CO-CURRICULAR FAIR

The Co-Curricular Fair will be held in-person on March 22, 2023. Students will be able to explore the opportunities available to them and a variety of groups will be represented so students can learn about them and ask questions. All incoming freshmen and their families are invited to attend and hear from coaches, club sponsors and current Stevenson students who represent over 35 sports teams, more than 140 co-curricular clubs and many intramural programs.
