Hello Band Family,

This semester was filled with new beginnings and opportunities to grow as we came back from a year and half away. We created a more connected Band Family through our accomplishments and beautiful memories together!

Before the school year even started, we began building our connections with each other at band camp. Even with the obstacle of having two years off the field, we refined our marching skills by learning marching basics and practicing music. The atmosphere of camp was boosted through the various spirit days that were held ranging from Tie Dye Day to Spirit Section Day. To conclude our week of spirit, we held our traditional Color Warz competition where we competed in fun activities like capture the flag.

We continued our energetic spirit days from band camp, our most notable being Onesie Day which hopefully will become a new tradition. To capture the spirit and memories of our marching season we branched out onto other platforms of social media such as TikTok. There we've created videos that reflect the Band Family and joy in marching band which have reached over 200,000 people in the span of a couple of months. Also, in September, we hosted our first concert of the year and featured the work of the Symphonic, Advanced Symphonic, and Honor Bands.

Band has always been a place where we form tight bonds with each other. We develop these relationships within our sections before games at sectional dinners, and also at events where we can meet each other outside the band room. Our most notable event was our Halloween Band Boo Bash at Willow Stream Park. There, we spent hours playing games, having food, and bonding with each other after being away from each other for so long.

In the lead up to the holiday season, the band program participated in Give-A-Thon. This is a school-wide effort to support families in need with food and presents for the holidays. We sold t-shirts, drinks, raffle tickets, the bands competed with each other in penny wars, and more. Overall we raised more than our \$3,000 goal! With this money, we supported families in need by buying gifts, baby items, and food.

This upcoming semester, the executive board has decided to focus more on service and will continue to create more events to continue strengthening the relationships built this semester. We look forward to sharing these with you soon!

We would finally like to take this opportunity to thank the Band Parent Organization and our amazing band directors for making all of this possible! While the fall semester was filled with new challenges, the band program persevered in creating memorable experiences. We are looking forward to the bigger plans that we have as we gear up for next semester.

Thank you so much for being a part of the Band Family!

Tvishi Krishnakumar

Class of 2022

Band E-board President

Dear Band Family,

We are so grateful to have had a year filled with in-person band activities! We got together for Band camp, marching, concerts, pep band and much more!

We want to thank all the parent volunteers who work to make the Student Band experience rich and enjoyable. They help us with so much including, football and basketball concessions, parent power, spirit wear, band camp, student accounts, sign-up genius, uniforms, color/winter guard, communications, patriot cards, hospitality, benefit days, photography and poinsettias/fundraising. We all work together to benefit our band students.

It's not too late to sign-up! We invite ALL band parents to look for volunteer opportunities. Please lend us and your students a few hours to continue supporting the activities of the band. You can view our current sign-up opportunities at: <https://tinyurl.com/mu4b9az6>

We hope you and your families have a lovely holiday season.
