DID YOU KNOW?

Over 70% of students in choir take at least 1 honors or accelerated class. 60% of students in choir are enrolled in at least 1 AP class. 65% of all choir students take another Fine Arts course during their time at Stevenson.

76% of choir students are involved in at least one club or activity outside of Fine Arts; 25% of these students hold a leadership position in their club.

Nearly 50 choir students participate in Stevenson athletic teams.

Students enrolled in choir can elect to take private voice lessons, at an additional cost - during their choir class or during a free period.

Students must be enrolled in a choir class during the school day to be eligible for our vocal a cappella groups: *Low~Frequency*, *Polyphonics*, and *Nothing But Treble*.

Stevenson High School Choirs have traveled to: California, Florida, New York City, and Washington, D.C., as well as annual field trips in the Chicago area.

WHY JOIN CHOIR?

Here are some thoughts from the students in our classes....

"It's helping me become who I am, it's bringing out my personality. It's also given me a place to feel comfortable when coming to school."

"I have grown so much as a musician."

"Choir is a period in my day where I get to be creative in different ways than my other classes. Being a part of choir makes me a more well rounded student who gets to do more than just core academic classes."

"Choir has opened my eyes to various genres and cultures; it's expanded my knowledge about vocals and music in general. It's fun, too!"
